

ASFPM Foundation

Recognized leader in
focusing attention on and
promoting the resolution of
issues critical to successful
current and future floodplain
management

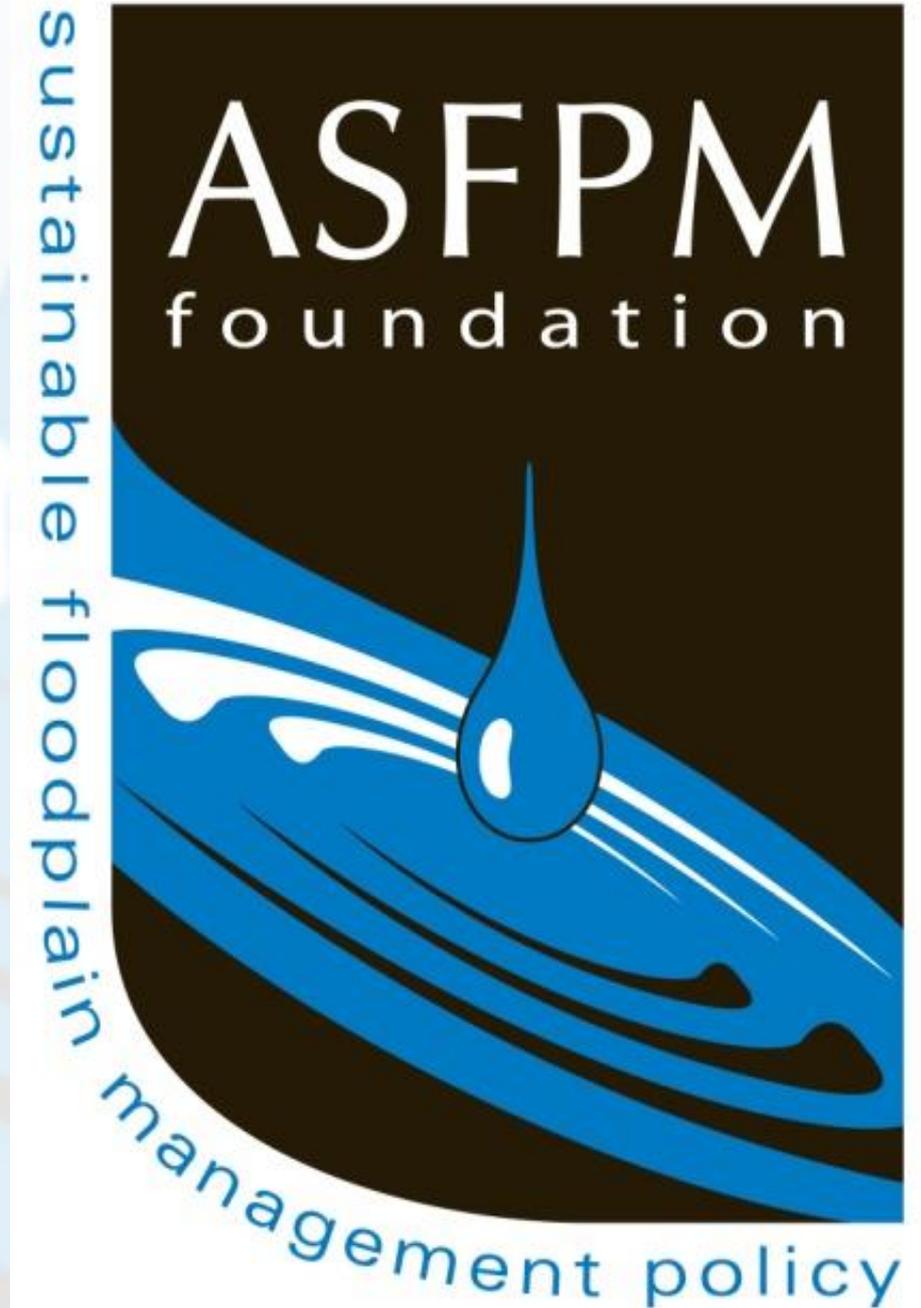

Advocate for the professional
practitioner, supplier, and
service provider

ASFPM Foundation Mission

To promote public policy
through select strategic
initiatives

Serve as an incubator for
long-term policy
development that promotes
sustainable floodplain and
watershed management

How do I get a copy?

<http://www.asfpmfoundation.org>

The image shows a screenshot of the ASFPM Foundation website. At the top, there is a navigation bar with links for "ASFPM Foundation", "ASFPM", "Scholarship", "Support Flood Loss Reduction", and "Suggestions". Below this is a banner with the ASFPM logo and several images of flood-related scenes. On the left side, there is a vertical menu with buttons for "Inside the Foundation", "Activities", "Flood Policy Forum", "Fundraising", and "We Remember Gilbert F. White". A red arrow points to the "Flood Policy Forum" button, which has a dropdown menu showing "About", "2013 Forum", "2010 Forum", "2007 Forum", and "2004 Forum". In the center, there is a "Remember" section. Below that, there are sections for "MISSION STATEMENT" and "VISION STATEMENT". At the bottom, there is a "Donate" button and a section titled "WHAT IS THE ROLE OF THE ASFPM FOUNDATION?". A browser window is overlaid on the right side of the page, displaying a presentation slide titled "Holistic Coasts: Adaptive Management of Changing Hazards, Risk, and Ecosystems". The slide features the ASFPM logo and a photograph of houses on a cliffside. The browser window also shows a "Page Thumbnails" pane on the left with a grid of 12 thumbnails.

Worst Flooding in a Generation Hits Jefferson
25-Year Flood has hit Jefferson

This just in. A flood on the scale of a 25-year flood has hit the County. Hundreds left homeless. We now cut to the Mayor's news conference.

Foundation State Symposia

- ASFPM Foundation members and chapter leaders all agree that these state symposia have succeeded by:
 - Engaging chapter members;
 - Exploring differences in scope and focus; and,
 - Discussing issues at the state and local level, and plan out potential future actions.
 - Application due in August
 - Foundation donates up to \$5,000 matching
- Successful Symposia conducted:
 - 2011 IN & CO 2014 FL
 - 2013 TX & GA 2015 IL & AZ

National Building Museum

ASFPM Foundation and ASFPM are sponsors of the new exhibition at the National Building Museum in Washington, DC titled “*Designing for Disaster.*” That ran through Aug. 2, 2015

***Designing for Disaster* exhibition focused on how to reduce impacts of natural disasters, and explores disaster mitigation and resiliency as an evolving science**

For more information about the National Building Museum, please visit www.nbm.org.

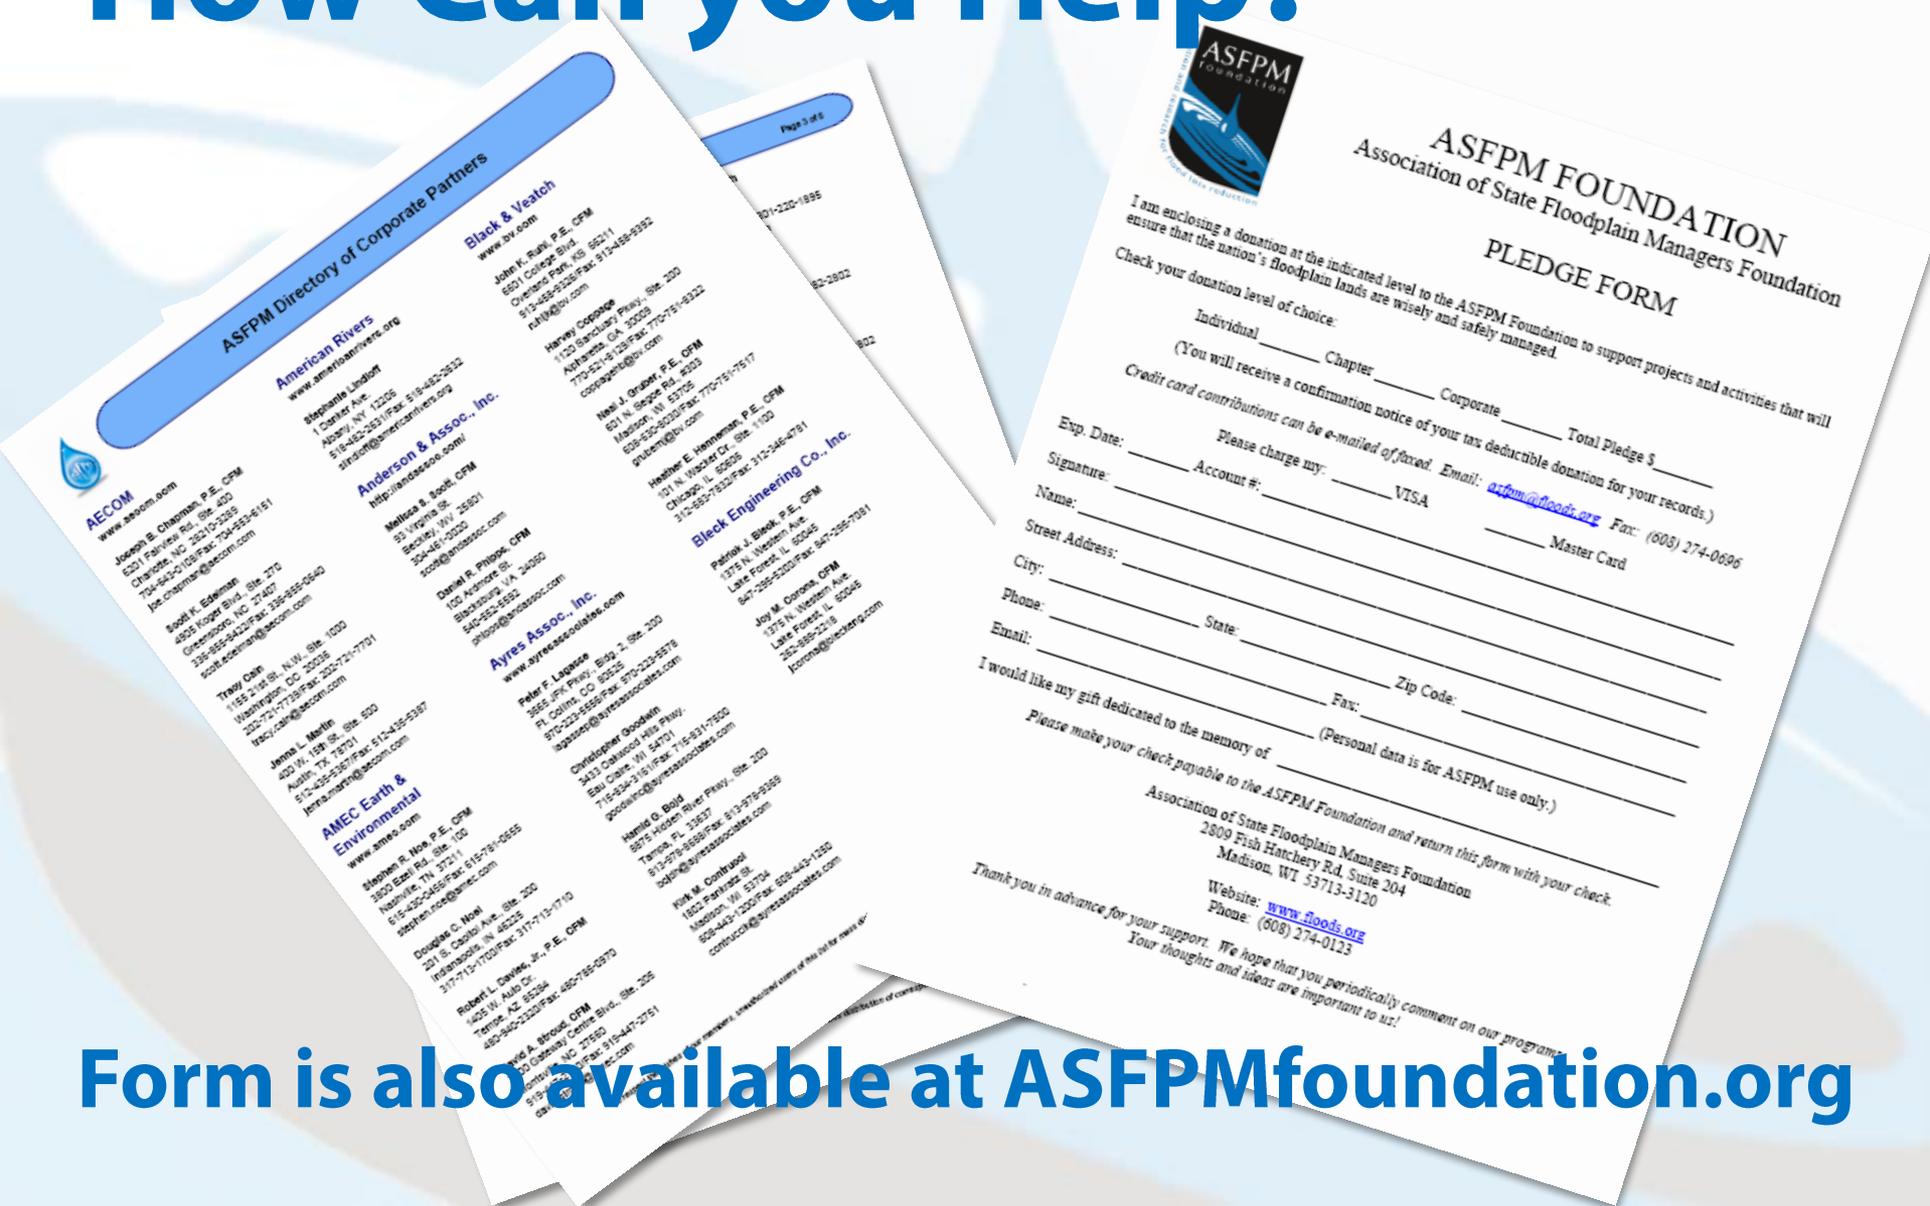

Larry Larson Speaker Series

“Creating Flood Resilient Communities”

**Inaugural speaker Ali Zaidi
Associate Director for Natural Resources
Energy and Science Programs
Office of Management and Budget
Executive Office of the President**

**Ongoing Series of speakers to create opportunities
for interaction among the nation’s thought leaders
on flood risk reduction policy**
